

selection process എല്ലാം മുഴുവനായി കഴിഞ്ഞാൽ DPC സംബന്ധിച്ച വിവരങ്ങൾ വെളിപ്പെടുത്തേണ്ടതാണെന്നു കേന്ദ്ര വിവരാവകാശ കമ്മീഷൻ

Facts:

1. The appellant did not avail of the opportunity of personal hearing on 27/8/2008. The appeal is, therefore, examined on merit.
2. The appellant, a retired employee of the respondent, has grievances relating to service matters. In this context, he has sought to know as to why he could not be promoted while he was in service.
3. The CPIO has furnished a point-wise response and indicated that he could not be promoted because he was not eligible. A part of information relating to the DPC, in which his name was considered, has been denied u/s 8(1)(j) of the Act.
4. Being not satisfied with the response, the appellant has pleaded for disclosure of complete information

Decision:

5. The CPIO has duly replied. Since the selection process is complete and over, there is no justification for withholding any part of information relating to the DPC, which considered the appellant's candidature for promotion.
6. The CPIO is, therefore, directed to furnish a copy of the minutes of DPC in which the appellant's name was considered for promotion, within 15 working days from the date of issue of this decision.
7. The appeal is thus disposed of.
